### Chairman's Round Up

Summer has left us now, but early September has seen some lovely weather for us all to enjoy. I am pleased to say that the Summer Holiday Clubs held throughout August were very successful - the Parish Council received some very positive feedback about all of the events so many thanks for your support. We are already planning events for next year, so if anyone has any other ideas you would like us to consider please do not hesitate to contact the Clerk, myself or any other Councillor. Contact details are in this edition.

The September meeting also saw the Council welcome two new members, and I am sure they will both add to the Council in a very positive way.

We still have vacancies so please come along to a meeting, see what we do, and if it is something that might interest you contact myself or the Clerk for more details.

Once again, thank you to everyone for your support.

**Cllr. Paul Fieldgate (Chairman)**

**HEALING PARISH COUNCILNOTES FOR  
OCTOBER 2023**

**E mail: [healingparishcouncil@outlook.com](mailto:healingparishcouncil@outlook.com)**

The September meeting of the Council was held on Tuesday 12th September 2023 up at the Village Hall in the main room.

New members

A warm welcome to two new members, Cllrs. Hannah Jones and Hannah Tofton. They were coopted at the September meeting and the Council is grateful to them for coming forward to join the Council.

Highways/footpaths

The road safety sign purchased by the Parish Council has now been installed outside of the Primary School and is already proving effective according to the feedback received. The School is purchasing a 'twin' sign to go with this one which will also be displayed outside of the school.

The frontage of Porri's Wood was tidied up prior to the start of the new school year and also signs have been renewed on parks and on the Moated Site giving up to date details etc.

Planning

The following planning applications were considered and the agreed comments of the Parish Council shown below each one. These comments are then submitted to NELC as required:

## POLICE REPORT

### Wolds Ward Healing Update September 2023

#### Crime

There were thirty six reported crimes across the Wolds Ward during August. The following offences were reported in Healing.

During the early hours of 23<sup>rd</sup> August, an attempt was made to enter a secure garage on Fords Avenue. No entry was made.

During the early hours of 16<sup>th</sup> August, a vehicle parked on Fords Avenue was entered. This activated the vehicles alarm, which made the offenders leave the area.

Other crimes include:

One assault.

One report of harassment.

Two public order incidents

There were no reports of ASB.

Your local Neighbourhood Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area in which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and step up our patrols in the area. The number to call for non-emergency issues is 101

*No objections raised.*

#### Green Agenda Group

The Group continues to meet and is identifying projects for in and around the Village.

#### Events

The Council is holding a 'Seniors' free lunch for those over 70— this part of its ongoing commitment to hold social events etc. up at the Hall and within the Village. As well as providing the Summer Clubs for younger residents the Council is keen to provide something for older residents also.

The quiz night date has also been set and these two events are both advertised on the next pages etc.

Unfortunately the Ladies Shopping Night had to be cancelled due to lack of ticket sales but its hoped that perhaps one can be held in the Spring of 2024.

#### Other

During the month the Chairman and Clerk had attended various meetings and the ERNLLCA Conference for a day over in Hull. Chair and Clerk also attended virtual meetings on a legal issue and a potential planning issue. The Chairman also sits as a Governor at the Academy.

Parish Council notes continued.....

### Village Hall

A final version of our fully accessible ramp has now been finally installed and the Hearing Loop is now fully operational within the Hall. Thanks to the contractors who helped get these two projects completed and to Ward Cllrs. for donation towards the Hearing Loop.

### Parks and Land Management

The Parish Council has now resolved to have the final few sheep removed from the Moated Site and there will be no further sheep grazing on the site. The Council is drawing up a management plan for the site which it will implement going forward.

### Finance

The paperwork for the external audit had been submitted for fy 22-23 and response has now been received from PKF Littlejohn who are the appointed external auditors and this is on our website. The audit for the fy 22-23 has now been closed.

Any questions please call the Parish Office or email us.

## View from the Pew

I wonder what your first thought is when you hear the word “Home”? I think that it is one of the most emotive words in the English language!

Probably the most common thought is about where a person lives. If the home is a comfortable convenient dwelling where there is a family filled with love and joy, it is indeed a place where one wants to be. If the area where the dwelling is located is somewhere where the family has lived for generations, the whole surroundings are home. It can be very precious! My father’s family comes from a little village in Buckinghamshire where some of the family have lived for 600 years. Some of my family were instrumental in building the Methodist chapel, and there is a graveyard full of my ancestors. I have never lived there, but it feels like home when I visit.

There is a saying “Home is where the heart is”. For some people, it doesn’t matter about the place, but the circumstances in which one finds oneself. What are the most important things in one’s life? Having a philosophy of life one which one bases the whole of one’s thoughts and actions means that wherever the place, it feels that everything is right in the world. This is where faith comes in – Christian or other faiths. My grandmother was devoted to her Christian faith and her church, and my father told me that when she knew she was terminally ill, she simply said” well I’m going home”.

This is season of harvest, and the phrase “Harvest home” rings with triumph and assurance, that for another year, food is there to nourish the people who need to be fed. The core of that phrase has been thanks to God for the provision which is needed. So in this harvest season let us give thanks for the provision of what we need, for it is the work of the creator of the universe, whose love for us never changes.

## Healing Green Agenda Group

### Helping to Save the Planet in Yorkshire & The Humber

Today's biggest environmental issue is, as we see daily on the news, Climate Change. There is now a huge amount of scientific evidence on how we have caused the problem but still no easy way to quickly put it right. There are more and more groups and organisations trying to do their bit and push people in the right direction. One such for our area is the "Yorkshire and Humber Climate Commission" which is linked to the Place-Based Climate Action Network (which is trying to help with the implementation of the government's climate policy). In June a member of the Yorkshire/Humber team gave a very informative presentation on how they are "Working with Town and Parish Councils". In effect, cascading it all down to the next level. It seems that the aims of the Healing Green Agenda Group are exactly what they have in mind and would like to see more of! Their stated aim is to "bring people and organisations together and mobilise action". Amongst other things they have produced a substantial 50 page "Climate Action Plan" and a very good video narrated by Paul Hudson, the Look North weatherman. However, it is still easier said than done as most things turns out to be costly and/or inconvenient – which nobody seems to like.

Most of the real savings and progress appear to happen in the bigger towns, where there are more bad practices that are obviously in need of improvement. In the parishes it is not so clear. Two of their examples are Draughton Parish Council who got a grant to make plans for zero energy installations and Holme Valley Parish Council who produced a Climate Emergency booklet. Still more words than action though.

There are some good links on their website to things like community carbon footprint calculation and minimisation which I will review soon. I have had a good chat with their team, hope to stay in contact and benefit from their ideas and advice as it pops up. We agreed that it's difficult/impossible to get everyone to change their ways so it's more a case of every little helps.

Hoping the grass is getting greener on the other side.

Dave Spreadborough

## **Vandalism at St Peter and St Paul Church Churchyard**

Sometime between Friday 8<sup>th</sup> and Sunday 10<sup>th</sup> September morning, somebody cut down 2 tall trees in the churchyard. One tree fell into the field next door and the other across headstones in the churchyard.

This is the third time it has happened in the last year. Each time the person(s) has left all the clearing up to be done by the church. In one incident, a tree was not fully cut through and could have fallen at any time on anyone. It shows complete thoughtlessness for people's safety.

The matter has been reported to the police. If anyone has information on who is doing this, please contact the church.

It needs to stop before anyone gets hurt or a loved ones headstone is damaged for which the family is responsible and would have to replace.

## HEALING AND DISTRICT GARDEN CLUB

Firstly, may we thank you all for the wonderful array of exhibits we had for the Late Summer Show at our September meeting. The Committee were quite concerned that we had planned too many classes, but we were proved wrong, there were exhibits in nearly every class—Well Done everyone.

For our October meeting we are pleased to welcome back Mike Pickwell for his presentation 'Flora and Fauna'. Mike is an extremely talented photographer and never fails to entertain his audience, so you can be sure of a wonderful evening.

The Club meets at the Village Hall, Poplar Rd, Healing on the 1<sup>st</sup> Tuesday of every month @7.30.

Guests are always most welcome.

Membership of the Garden Club is just £7.50 per year and folks joining now will not need to renew their subscription until February 2025.

We would like to thank the Parish Council for the installation of the hearing loop, it is a great asset to the members of the public who are hard of hearing.

For further information please call 01472887966.

## Village Walk

You are invited to join us on a local footpath walk on Sunday Oct 15th at 2 pm. We will meet at Healing Methodist Church car park for a walk of about 3 miles. All welcome to join us.

This will be our annual charity walk and we invite you to make a donation towards Water Aid. We take clean water for granted but in so many places around the world it is not available. Water Aid helps to provide new wells or other sources of clean water. Will you help?

If you cannot walk that day we welcome your donation and if you do not wish to donate we still welcome you on the walk. If you want to do a bit more then get people to sponsor your walk.

Please contact Peter Ede 01472 883625 for further information or to give a donation.

## FLY TIPPING WITHIN THE VILLAGE

The Council has noted an increased amount of fly tipping throughout the village—there are a lot of grass cuttings etc. and general garden waste being fly tipped in woods, on verges, in hedgerows and in parks etc.

The Parish Council would remind residents that it is an offence to fly tip and anyone caught doing so will have the appropriate action taken against them. NELC has recently increased its coverage of fly tipping and the prosecution rate has also increased, so please dispose of your garden waste and any other waste via the appropriate channels such as the garden waste bin or at the public sites available.
